

Seventh Grade Class Teacher

The Denver Waldorf School is looking for a Waldorf-trained class teacher to teach next year's 2015-2016 seventh grade children and to carry them through the eighth grade. We are seeking a colleague with an enthusiasm for and commitment to teaching a full Waldorf grades curriculum. Waldorf training and a growing relationship to Anthroposophy are required, and previous teaching experience is preferred.

DWS, a friendly and lively urban preK-12 school with over 350 students, is located in one of Denver's oldest tree-lined neighborhoods with the splendor of the Rocky Mountains just a short trip away. Founded in 1974, we are a fully accredited full member school of the Association of Waldorf Schools of North America, the Waldorf Early Childhood Association and the Association of Colorado Independent Schools. Our first grade pulls from four thriving, fully enrolled pre-school/kindergarten classes.
